Thank you for your interest in Saratoga Central Catholic High School.

This packet includes all the paperwork necessary for a prospective student to apply to our school for grades 6-12. Included is a data sheet necessary for computer entry, a transcript request form, which allows us to review your child's academic background in order for us to render a decision and family survey form. All three documents must be returned to us. Note also that there is a non-refundable \$50 application fee, which must accompany the application. The application fee will be deducted from the tuition for all accepted students.

An interview with the student and the parents(s) is usually required. At that time an overview of Saratoga Central Catholic's philosophy, program and expectations are explained. A candid discussion of the applicant's academic and disciplinary history takes place as well.

The 2010-2011 tuition rate is \$6800 for grades 6 through 12. Additionally, there is a \$250 activity fee.

Please note that, if your district provides bussing to Saratoga Central Catholic, it is important that you pick up a transportation request form from your school district. Ordinarily these need to be filed by April 1. If your child is commuting from the Glens Falls/Queensbury area, be aware that we run a bus from St. Mary's/St. Alphonsus School in Glens Falls to Saratoga Central Catholic each day. There is an additional fee for that transportation arrangement.

Be advised that we offer a substantial amount of financial aid to students. Application must be made by April 1. Applications are available in our office.
