Dear Parents/Guardians:

As part of a community school, students at Saratoga Central Catholic will continue to learn, mentor and volunteer in the community. Because of this, there will be instances where pictures of our students are used in advertisements, on the website, in our school brochure or in our Saints newsletter. Before we use the pictures for these purposes, we need permission from you.

Therefore, if we may use your son's or daughter's picture, please fill out and return the form below. We will keep these permission slips on file for use during the school year.

If you have any questions or concerns, please contact Jean Taylor at 587-7070 ext. 108. Thank you.

I, _____, parent or legal guardian of _____,
