

Dear Parents,

Your student is registered for AP Global History or pre-AP Global History for the 2016-2017 school year. There is a summer assignment for each student registered for these classes.

If your child has finished 8th grade, and will be in 9th grade in 2016-2017, they are registered for pre-AP Global. If your child has finished 9th grade and will be in 10th grade in 2016-2017, they are registered for AP Global

I have attached the summer worksheets here:

[AP Global](#)
[pre-AP Global](#)

It must be completed and handed in on the first day of school in order to participate in these classes next year. If you cannot open or print these documents, please pick them up in the main office.

Please note, the office is closed next Friday, the 24th and as of Monday, June 27th, the summer SCC office hours are Monday - Thursday 9am-2pm.

Thank you,
Mr. Karandy
