As demonstrated by the list below, The Saratoga Central Catholic School community assists others in our area through financial support and volunteer hours. Our school members are proud of this commitment, and we believe our success as an educational institution is tied to the success of others in our community. It is for this reason we ask that you consider helping us reach our goal of providing educational opportunities to those who need assistance the most.

Each year, our school receives requests for tuition assistance. While SCC strives to give tuition assistance to as many as possible, we have been unable to meet the financial needs of everyone. Your donation to the **SCC Angel Fund** will allow us to help families in need.

Checks can be made payable to SCC (SCC Angel Fund in the memo line) and we are a charitable 501(c)(3) organization so you will receive a tax donation letter recognizing your contribution.

Thank you for your consideration.
