

Saratoga Central Catholic School

7th Grade Meningococcal Vaccine & Physical Exam Requirement

Dear Parents/Guardians of current 6th graders,

NYS Public Health Law Section 2164 requires **students entering 7th grade to have one dose of the meningococcal conjugate** (Menactra, Menevo or MenQuadfi) **vaccine in order to attend school.**

We encourage you to speak to your child's primary care provider at the time of their annual physical or contact them if your child already had a physical to ensure they are up to date.

Please provide a copy of the meningococcal vaccine record to the health office as soon as possible.

In addition, **a physical exam is required for students entering 7th grade.** Physicals must be dated 9/10/25 or later **AND** be on the NYS required physical exam form found on our school website. Most pediatric offices have the electronic version of this.

For any questions or concerns, please contact the health office.

Thank you,

Denise Kowalski, RN
