

## SARATOGA SPRINGS CITY SCHOOL DISTRICT

Dear Parent/Guardian of: \_\_\_\_\_ Date: \_\_\_\_\_

Your child has presented today with a symptom of COVID-19. Symptoms could include cough, shortness of breath, difficulty breathing, fever of 100 or above, fatigue, chills, muscle or body aches, headache, sore throat, congestion or runny nose, nausea, vomiting, diarrhea, or new loss of taste or smell.

Below are the symptom(s) YOUR child exhibited that suggest further evaluation for COVID-19.

- Fever \_\_\_\_\_
- Cough/ Shortness of Breath/ Difficulty Breathing
- Fatigue/ chill
- Muscle or Body Aches
- Headache
- Sore throat
- Congestion/ Runny Nose
- Nausea/ Vomiting/ Diarrhea
- New Loss of Taste or Smell

Although we no longer require a negative test to return to school, we do encourage testing as recommended by the CDC and NYS Dept. of Health. If you choose to test your child, please alert the school nurse of the test result.

An at-home test kit has been provided. If you choose to use this test and the first test is negative you should repeat with a second test 24-48 hours later per CDC guidelines.

**If your child tests positive**, they will need to isolate at home for 5 days from the start of symptoms or date of test if not symptomatic. NYS DOH and the CDC strongly encourage mask wearing on days 6-10 to prevent the spread of disease. Please report the positive result to the Saratoga County Health Department.

**If your child is negative or you do not test your child**, they may return to school when symptoms are improved, and your child has been fever-free for 24 hours without the use of medication and has not vomited or had diarrhea within the last 24 hours. Your child should be well enough to participate in classroom activities without a rest period or disruption to the classroom environment. **If your child was sent home with vomiting, diarrhea, or a fever we ask that you keep them home the following day.**
