Preparation for College - Values for Life

We Remember the Tragedy of 9/11/01

Merciful God, Shield of the fearful and Source of hope,
We pray that you strengthen our faith as we remember the
attack on our country and people.

Come swiftly to our aid,
and have mercy on all who call on you.
Comfort those who mourn this day as they
remember those who were lost this day.
Bring to us at last the peace you promise in Jesus Christ who
lives and reigns for ever and ever.

Amen.

CENTENNIAL TREES PLANTED

This summer, the Saratoga Central Catholic School's senior class of 2015 donated two elm trees to be planted in front of the school as a part of the citywide Centennial Tree project.

The trees will offer a wonderful place for classes to be held outdoors as well as shade during the hot summer months. Saratoga Central Catholic School is very excited to be a part of the Centennial Tree project and to contribute to the aesthetic quality of our beautiful downtown business district.

Special Thanks to Mrs. Jen DuBois for coordinating such a wonderful project, as well as Colin Bradley, Owen O'Reilly, JoLynn DuBois, Seth Connors, and Ben Moeller for planting the trees!
