ATHLETICS

A Note from the Nurse: Winter Sports

****BEFORE YOUR CHILD CAN ATTEND THEIR FIRST PRACTICE FOR A WINTER SPORT THEY MUST HAVE THIS INFORMATION IN SCHOOL ON FILE****

Winter Sports

NEW YORK STATE REQUIREMENT

If your child has signed up for a winter school sport, there must be a **current physical exam** (within the last 12 months) on file in the nurse's office **prior** to the first practice. The season starts on _____. This physical must be completed by a NYS physician, physician's assistant or nurse practitioner.

Please contact the nurse if you have any questions.

A **pre-participation/interval athletic form** must also be completed and signed by a parent/guardian if the student's PE is more than 30 days old from the beginning of the sport season. This form is available on the school website and in the health office. This is to ensure that any health problems occurring since the last physical are identified and considered. The form must be given to the nurse/coach **before** the first practice. Additional clearance may be needed for any recent injuries or health issues.

Any student who fails to provide necessary documentation and completion of all health requirements will not be granted clearance to play.

Athletic Schedule & Calendar

There is a link under the "Athletics & Activities" tab on our website at saratogacatholic.org that you will use to access the sports calendar for all of our team sports.
