EMERGENCY CONTACT INFORMATION SHEETS

Here at school, we keep an emergency contact information sheet for every student on hand in case an emergency situation occurs. Please fill out the following form and return it to school for the nurse.

There are two sides to the sheet, so please make sure both are filled out entirely for our records.

It is **mandatory** that we have these on file for your child(ren).

If you are not sure if you have one on file OR have information that needs to be updated from last year, we ask that you please fill out another form.

If you must email it, please send it to r.long@saratogacatholic.org, but it is **preferred that you return it in hard copy** to Mrs. Kowalski, the nurse.

EXTRA CURRICULAR ACTIVITIES

Saints Spike Out Cancer Volleyball Match: **Friday, Oct. 13**

On October 13, 2017 the Saratoga Central Catholic Volleyball program will sponsor our 9th Annual Saints Spike Out Cancer Match and Fundraiser. This year we are adding a new element to our evening. **We would like to take this opportunity to honor our community's family members, friends and alumni who have**

survived the courageous battle with breast cancer.

Between the Varsity and Junior Varsity match we are going to honor these individuals on the court with a special presentation. So, if you have someone special to invite please ask them to join us on this special evening. The Varsity match starts at 4 PM and we will honor those attending at about 5:30pm, between the JV and Varsity matches.

All we ask is for you to please email (izzo@saratogacatholic.org) the survivor's name, if you invite them, because we will place their name on a pink ribbon in the gym. If there is someone special who has lost this courageous battle please email (izzo@saratogacatholic.org) their name and we will also honor them with a ribbon.

Sincerely,

Coach Maria Izzo '84
Coach O'Donnell '08
Coach Long '09

[A Note from the Nurse: Winter Sports](#)

Winter Sports
NEW YORK STATE REQUIREMENT

If your child has signed up for a winter school sport, there must be a **current physical exam** (within the last 12 months) on file in the nurse's office **prior** to the first practice. The season starts on _____. This physical must be completed by a NYS physician, physician's assistant or nurse practitioner.

Please contact the nurse if you have any questions.

A **pre-participation/interval athletic form** must also be completed and signed by a parent/guardian if the student's PE is more than 30 days old from the beginning of the sport season. This form is available on the school website and in the health office. This is to ensure that any health problems occurring since the last physical are identified and considered. The form must be given to the nurse/coach **before** the first practice. Additional clearance may be needed for any recent injuries or health issues.

Any student who fails to provide necessary documentation and completion of all health requirements will not be granted clearance to play.

Varsity Jackets are now available for purchase!
