A Message from the Bishop:

"On September 22, I ask that the Shrine become a pilgrimage site for Catholics from every corner of our diocese... "This will be a spiritual event, hallowed in part by the very ground on which it is held. My hope is that the Holy Spirit will make this a powerful time of spiritual renewal for our entire diocese."

SCHEDULE CHANGES/ISSUES

For those who have contacted us about schedule changes today with Miss Long or myself, please be sure to check Power School by tomorrow morning for an update on those changes that needed to be made. I am currently going through the list of changes and should have them completed by later today.

This remains the same for the next upcoming week as changes and problems occur. They should be adjusted by the next morning. We will continue the same process that we used today.

Please email me with any changes to be made or have your student see Miss Long in the main office about other problems or changes they may have. They will then return to class and follow their current schedule until changes have been made.

Thank you for your patience!
