Mrs. Guarnieri has emailed all parents who still need volunteer hours

if you received an email on March 25 or March 27 from guarnieri@saratogacatholic.org with the subject line: **Parent Volunteer Hours are due soon for this year**
you still owe parent volunteer hours

Please be sure to get your Parent Volunteer hours completed and return Parent Volunteer Verification Forms to Mrs. Guarnieri by April
Click here for all the information about our Parent Volunteer Program

If you still need hours for this year, you may volunteer for the Golf Committee and Mrs. Guarnieri will put these hours toward this year's volunteering tally.

WHEN TO KEEP A CHILD HOME WITH ILLNESS DURING COLD AND FLU SEASON

Sometimes it can be difficult for a parent to decide whether to send children to school when they wake up with early symptoms of an illness or complaints that they do not feel well. In general, during cold and flu season, unless your child is significantly ill, the best place for them is in school where they have all already been exposed to the same germs. However, there are some situations in which it is best to plan on keeping your child home for a day to rest or to arrange for an appointment with your health care provider. The following are a few such situations that warrant watching and possibly conferring with your health care provider:

- Persistent fever greater than 100° orally, including a fever that requires control with medication, like Tylenol
- Child is too sleepy or ill from an illness, like vomiting and/or diarrhea, to profit from sitting in class all day
- Significant cough that makes a child feel uncomfortable or disrupts the class
- Sore throat that is severe, accompanied by fever and/or feeling ill, that persists longer than 48 hours, OR after known exposure to a confirmed case of Streptococcal throat infection
- A significant rash accompanied by other symptoms of illness such as fever
- Red, runny eyes that distract the child from learning
- Large amount of discolored nasal discharge, especially if accompanied by facial pain or headache
- Severe ear pain or drainage from the ear
- Severe headache, especially if accompanied by fever

Any condition that you think may be serious or contagious to others.

Please do not send your child back to school unless they have been fever-free without medication for 24 hours.

Gym Classes are now Bowling

All students began the bowling unit in Physical Education class on Tuesday, March 19th.
Please Remember:

1: Every **student must bring $2** with them for every physical education class in order to participate. This will cover the shoes and one game.

2: We walk as a class to Saratoga Strike Zone so please make sure the student has **appropriate clothing** (hats, gloves, coats etc...) when needed.

3: We will **not be going bowling on Mondays**. Therefore the students must bring gym clothes if they have Physical Education class on a Monday.

All Physical Education classes will be participating in the Bowling Unit until further notice. We thank you in advance for understanding and helping us make sure the students have everything needed.

If you have any questions or concerns please feel free to email Coach Simpson simpson@saratogacatholic.org or Coach Lambert lambert@saratogacatholic.org

Saratoga Central Catholic Theatre Kidz!

SCCTkz! “Summer in the Spotlight,”

an exciting theatre arts program for youth. We provide a non-threatening and supportive environment to enhance the personal growth, self-esteem and self-expression of young people. A unique experience designed for the serious young actor, age 8 - 14, it is an opportunity to explore acting, music, movement/dance, and creative design in class settings. This training is balanced with rehearsing a theatrical production presented for family audiences at the end of the program.
