June 27, 2022

Dear Parents and Guardians,

Happy Summer! We would like to share with you the summer reading assignments for this year. The Albany Diocese is requiring that all incoming students in grades 6-12 complete a STREAM (Science, Technology, Religion, Engineering, Art, and Mathematics) packet. You will find that there is an assigned packet for high school, and one for middle school. Teachers in all disciplines will be implementing the summer reading in the classrooms and the assignments will be graded. There are assignments in both packets that need to be completed and turned in by Monday, September 12, 2022.

The English Department at Saratoga Catholic has also launched a reading initiative, with one required book and assignment for the middle school, and one required book for the high school. There are more ideas for fun summer reading activities explained in the second attachment. The English Department will be looking to reward the grade levels who complete the most activities with a popsicle or ice cream party upon returning to school. Prizes will also be awarded to students who read the most books over the summer, and who complete the summer reading bingo card. Please read the documents carefully and consider encouraging your student(s) to read throughout the summer.

Have a safe, relaxing, and enjoyable summer!

Respectfully,
The SCC Administration and Teachers

Joseph Kilmade | Principal
Alphonse Lambert | Athletic Director
Maria Izzo | Dean of Student Life
Nichole Mulkern | School Counselor
